

To Whom This May Concern,

This letter is intended to address the issue of replacing my local K-LOVE radio station with LPFM. I am strongly urging the FCC to not expand the LPFM which could replace my current FM station which carries K-LOVE. K-LOVE serves my local community in such a positive and profound way that I could not bare to part with it. My local community depends on this radio station as one of the only ones like it in this area. There is no one else that can provide the same type of music and programming that is even close to that of K-LOVE. Please do not take away this programming to replace it with LPFM.

Thank You,

Kimberly Weaver
